- Positions are not vetted by ASC Career Services
- Pulls in results from JobCentral, Google, Indeed, and SimplyHired
FutureLink Postings

- Review application instructions carefully: some positions require you also apply outside of FutureLink
- Create a job search agent that can alert you to positions of interest
- View the positions you have applied to by clicking My Job Applications

*NOTE: This will NOT tell you if you’ve been invited to an interview, etc. That communication is done externally to FutureLink.*

Recommended Jobs

- FutureLink jobs and internships are recommended to a user based on profile information, previous applications, favorite employers, and other key information
- Reports information based on a percentage match
- Allows for a more in-depth search without creating an Advanced Search

**EMPLOYERS tab**

- Conduct employer research before writing your cover letter or interviewing
- **All fields** are populated by employers; they can add as little or as much info as they wish

- Contacts listed in the Contact Directory have authorized the release of their information to you

**On-Campus Interviews tab**

- **ONLY CONTAINS INTERVIEW REQUESTS FOR OCR POSITIONS**

- RSVP to all workshops, as seating is usually limited; if RSVP not available through FutureLink call the office or email the workshop facilitator
